

## York Medieval Fayre - **Coodinators report - 2022**

Another great day out in York for locals and tourists alike, hosted by the York Friendship Club Inc. This was our 8<sup>th</sup> Medieval Fayre and the most successful yet.

3,000 paying adults and kids free. All were entertained by battles, music and dance, snakes,raptors, ponies and diverse stalls. Food handlers were very happy, and the weather was perfect.

Thankfully the 2pm parade went ahead thru Avon Terrace, safely led and followed by the York Police, with the Fire truck on standby.

We received great feedback with people looking forward to next years event

There were many more dressed in costume which indicates our \$2000 worth of publicity reached a wide audience.

We had Channel 7 regional coverage on the day and ABC interviews before and after, where we highlighted all York has to offer.

Altogether it was a great day and for a worthy cause, especially coming up to Christmas.

### **HOMELESS CHARITIES.**

Cheques have already been sent off to Mission Australia, Orange Sky, Backpack Beds, Salvation Army WA, Ruah Community Services, Uniting WA, and Youth off the Streets. - All worthy causes.

Once again, The York Friendship Club Inc, as a small group of ladies could not have done it without our loyal participants, stallholders and supporters.

Sincerely many thanks

Yvonne Dols – Coordinator, Linda Wills – Treasurer, and Leanne Cooper

See you all next year.
